MARINE PRODUCT RANGE

DETAR

Heavy duty degreaser concentrate - Environmentally responsible.
A new safety revolution with renewable plant based formula.
Non flammable, no hazardous with no petroleum ingredients.
An extremely heavy duty degreaser using new technology.

HD DEGREASER

Powerful performance - hard-working water-based concentrate cuts through heavy contamination of oil and grease - solubilises, then rinses away without leaving any oily residues. Excellent bilge cleaning concentrate. Environmentally responsible – water based and completely water dilutable – biodegradable.

THE GOOD OIL

Multi purpose penetrating lubricant and protectant. Plant based, readily biodegradable, non toxic, non hazardous and non flammable. No petroleum solvents. Penetrates further and lubricates for longer, displaces moisture and inhibits rust.

GENESIS

Heavy duty, organic, multi-purpose industrial cleaner. Disinfectant, Sanitiser and Deodoriser.

KILLS 99.9% OF GERMS & BACTERIA

DECK CLEANER DEGREASER

Alkaline cleaner for quick, free rinsing cleaning on all deck cleaning applications leaving surfaces residue free. Florene Tropical Vanilla.

HULL CLEANER

New industrial standard for safer, economical hull cleaning practices. Technologically superior solution for safer acidic cleaning and de-staining of hulls and painted surfaces. Innovative organic salt technology opens a new era of safer high-performance acid cleaning.

BOAT WASH

Hard working – powerful, commercial formula for efficient boat, caravan and truck washing. Penetrates oily and grimy soils, then solubilises them in suspension to be rinsed away.
Does all the tough work No hard rubbing is required.

MARINE PRODUCT RANGE

HAN D

Industrial non-solvent hand cleaner and hand care lotion. Removes the most stubborn soils from hands and other skin surfaces without the use of harsh solvents, abrasives or alkalis. Safe to use with no solvents, abrasives or heavy alkali salts. Non-irritating as it contains coconut oil to leave hands soft and clean.

ULTRA KLENZ

New generation industrial hand cleaning gel – a unique, milder-plant based formula. Quickly dissolves grease, carbon, dirt and grime from skin and hands. Vegetable based, environmentally responsible – no petroleum solvents.

SPRAY SAN

Effective antibacterial surface cleaner spray. Formulated for the efficient cleaning and sanitising for all food areas and hard surfaces. Food safe and non toxic.

KILLS 99.9% OF GERMS & BACTERIA

MASTER TOUCH

Outstanding timber conditioning lotion and stainless steel polish. Formulated to clean, polish and protect all laminated, stainless steel and natural wood furniture and fittings. Can be used effectively on light or dark timber surfaces all laminated, solid or veneer, enamel, vinyl, leather and countertops and metal appliances.

WHITE KNIGHT BULK

High performance, natural cream cleanser that requires no hard scrubbing. Soft mineral spheres gently lift contaminations without scratching the surface. Very effective for use on vitreous enamel, porcelain surfaces, ceramic tiles, brass, stainless steel, aluminium and copper surfaces.

E TREAT BULK

Holding tank digestive enzyme to assist effluent breakdown, solubilisation and odour control. Effect biological treatment for all contained systems.

SPARKLE

Commercial solvent window and stainless steel cleaner. Convenient for use as a spray and wipe or wash-over cleaner for all windows, mirrors, glass and stainless steel fixtures in any commercial area.
