

LINGUISTIC QUALITY ASSURANCE WITH 2M

Delivering expert translations through advanced quality assurance processes and technology tools.

LINGUISTIC QUALITY ASSURANCE SERVICES

2M offers a suite of Linguistic Quality Assurance (LQA) measures to service client-specific needs. With over 20 years of industry experience, we have developed mature Quality Assurance systems to benefit our clients and keep their communication effective across languages.

LINGUISTIC TESTING

Linguistic material is checked against standards and requirements.

THIRD-PARTY LINGUISTIC REVIEW

Further quality checks for quality assurance from a second professional.

REVIEWER TRAINING

Efficient review cycles based on your guidelines and linguists trained to your requirements.

SUBJECT MATTER REVIEW

Engagement of experts to retain the integrity of highly technical contents.

9001 : 2015
17100 : 2015
18841 : 2018

QUALITY STANDARDS CERTIFIED UNDER ISO

2M holds ISO certifications for the following standards: 9001:2015 Quality Management, 17100:2015 Translation Services, 18841:2018 Interpreting Services. These globally recognised standards attest 2M's capabilities in delivering its core services according to the highest quality standards.
